DISARMAMENT NEGOTIATIONS CONTINUE

By ARTHUR GAVSHON
London (AP)—The four Western powers decided today to continue disarmament negotiations with Russia as long as there is any possibility the Soviets will show serious intent to help end the cold arms race.
But it was expected generally at the talks in the subcommittee of the U. N. Disarmament Commission are in their last week.
Delegates of the United States, Britain, France and Canada coordinated their policy at a conference which took into account criticism of the Western package plan for a first-stage disarmament pact.
The first reaction from the Soviet delegate, Valerian Zorin, to a 11-point Western proposal was to mean that Moscow will accept it as a basis for agreement.
However, the Western four decided to ignore Zorin's comments and to offer new explanations and arguments in behalf of their plan. They agreed to press the Russian delegate to give a precise and formal answer to their proposals. If he continues to reject their offer, the Western statesmen will build upon his to suggest new steps in the East-West search for an agreement, Western informants said.
The meeting of the Western delegates took place a few hours before the subcommittee was due to hold its first meeting since last Thursday.
The five-power Disarmament subcommittee, which resumed its London sessions March 18, has fired down in an East-West split over the banning of nuclear weapons tests, a halt in production of such weapons and inspections to enforce any agreement.

Jefferson Co. Boy Pleads Guilty To Slaying of Mother

Brookville (AP)—Samuel Lavelle, a 16-year-old Crenshaw youth, today pleaded guilty to a general charge of murder in the fatal shooting of his mother last December.
Jefferson County Judge Robert Morris accepted the plea and said he will set a date later to hear evidence in the case to determine the degree of guilt.
Police said the youth shot his mother in the basement of their home after she lectured him about taking his father's guns from a rack. The body was found on a dump several miles from the home.
Police said young Lavelle admitted placing his mother's body in the back of the family auto and driving it to the dump. Deer hunters found the body.

Eleanor Leaves Denmark For Visit in Moscow

Copenhagen, Denmark (AP)—Eleanor Roosevelt, widow of President Franklin D. Roosevelt, left today for Moscow by air to talk with several Soviet leaders as a newspaperwoman.
She said she would try to get interviews with "all Soviet statesmen—from Khrushchev and down."
Mrs. Roosevelt expects to stay in Russia for about three weeks.

Soldier's Requiem Sounds for Florida Confederate Veteran

Crestview, Fla. (AP)—Taps, the soldier's requiem, will sound tomorrow for William A. Lundy, Florida's last Confederate veteran and one of only three in the nation.
Lundy died Saturday night at the age of 109. The news brought expressions of regret and a peppery boast of personal vitality from one of the nation's oldest veterans.
Lundy has a 103-degree fever yesterday but said of Lundy's death, "I am sorry to hear it. His family has my sympathy and that of my family."

Toll in Wreck of Excursion Train in Jamaica Nears 200 Mark With Scores Badly Hurt

By SUSAN LEWIS
Mandeville, Jamaica (AP)—The smell of death hung heavy over this little Caribbean mountain resort today as burial services were rushed for nearly 200 Jamaicans killed in the wreck of a Roman Catholic excursion train.
It was one of the worst disasters in railroad history. The 12-coach train was packed with nearly 1,500 Roman Catholics returning to Kingston from a religious pilgrimage and holiday outing at Montego Bay, on Jamaica's north coast. Nine coaches derailed and plunged over a 100-foot embankment near Kendal, five miles from Mandeville.
The count of the dead reached 176 last night. The Catholic bishop of Jamaica, the Most Rev. John J. McEleneey of Woburn, Mass., estimated it might rise to 200.
Torrential rains hampered the search for additional dead.
Nearly 700 persons were reported injured. About 500 crowded the hospitals in Mandeville, at nearby Spalding and in Kingston. Many were put two to a bed. Doctors and nurses were rushed to the hospitals to work around the clock. A single-engine plane flew in medical supplies.
About 180 persons received emergency treatment but went home. Most of the victims were young people, between 16 and 30.
Many bodies, so mangled that identification was impossible, were buried near the wreck yesterday in coffins hurriedly made by boys at a nearby youth training center.
More mass burials of the unidentified were planned today. Burial generally takes place as soon as possible after death on this tropical island.
Some bodies were claimed and taken to Kingston.
Acting Gov. John Stow and Chief Minister Norman Manley hurried to the wreck and ordered an immediate investigation, to be headed by the chief justice of the Supreme Court.
Stow called for a national day of mourning Sunday. Movie houses and night clubs in Kingston normally a gay resort center, were closed last night, and grief pervaded the city.
Some of the passengers reported that the train had been halted several times because of unruly behavior by some of those aboard.
The excursionists were members of the Holy Name Society, a men's organization, and their families.
The worst previous train wreck in Jamaica was in August 1938, when 80 persons were killed in Balacava, about 15 miles north. Deadly coal fumes from a locomotive in a tunnel took 521 lives in the world's worst rail disaster, on March 2, 1944, in Balvano, Italy. The second worst train disaster was in Gretna, Scotland, May 22, 1915, when 227 persons were killed.

Integration At School In Little Rock Called Off

Little Rock, Ark. (AP)—Gov. Orval Faubus threw a cordon of armed National Guardsmen around Little Rock's Central High School last night and the school board called off its planned integration as a result.
The school board, under U. S. District Court order to proceed with its gradual integration plan, evaluated the governor's action as designed to block the entry of nine Negro students to the 2,000-pupil high school today.
The governor said he was taking the drastic step "arrived at prayerfully" as the chief executive of the state sworn to preserve peace and protect property. His action could provide the basis for the first clear test of state police power versus federal law.
The board ordered Negro students "to stay away from white high schools today." It did not, however, instruct them to report to the all-Negro high schools they previously attended.
Faubus' action appeared to be in direct conflict with the order of U. S. Dist. Judge Ronald Davies, a Fargo, N. D., jurist temporarily fill a vacant Arkansas bench, who Friday instructed the integration to proceed. Davies also issued a broad injunction forbidding interference with the peaceful integration.
The governor would not say that the armed National Guardsmen were ordered out last night to prevent integration.

Fall From Scaffold Is Fatal to Tionesta Man

Daniel Walters, 79, of Tionesta was fatally injured Monday morning when he fell from a scaffold at the home of his son, who lives along the Dempseytown road just south of Gresham.
Mr. Walters was helping his son build an addition to the house when he tumbled from the eight-foot-high scaffold. He was taken to the Titusville Hospital shortly after 11 a. m. He was in critical condition from the time he was admitted until he died.
Mr. Walters died at 11:17 o'clock last night. Cause of death was believed to have been a fracture at the base of the skull.
Funeral arrangements are incomplete.

POCKET VETO

Washington (AP)—President Eisenhower today killed legislation to extend and expand a direct loan program for veterans housing in rural areas and small communities. In announcing a pocket veto of the measure, Eisenhower said it would have "a potential inflationary effect upon the economy." He also termed the proposed program "discriminatory."

GIRL CRASH VICTIM

Greensburg (AP)—Sally Ann Daily, 18, of Irwin Rd 5, died today in Westmoreland County Hospital of injuries suffered last night in a two-car collision at Buzardtown.

DIES IN FIRE

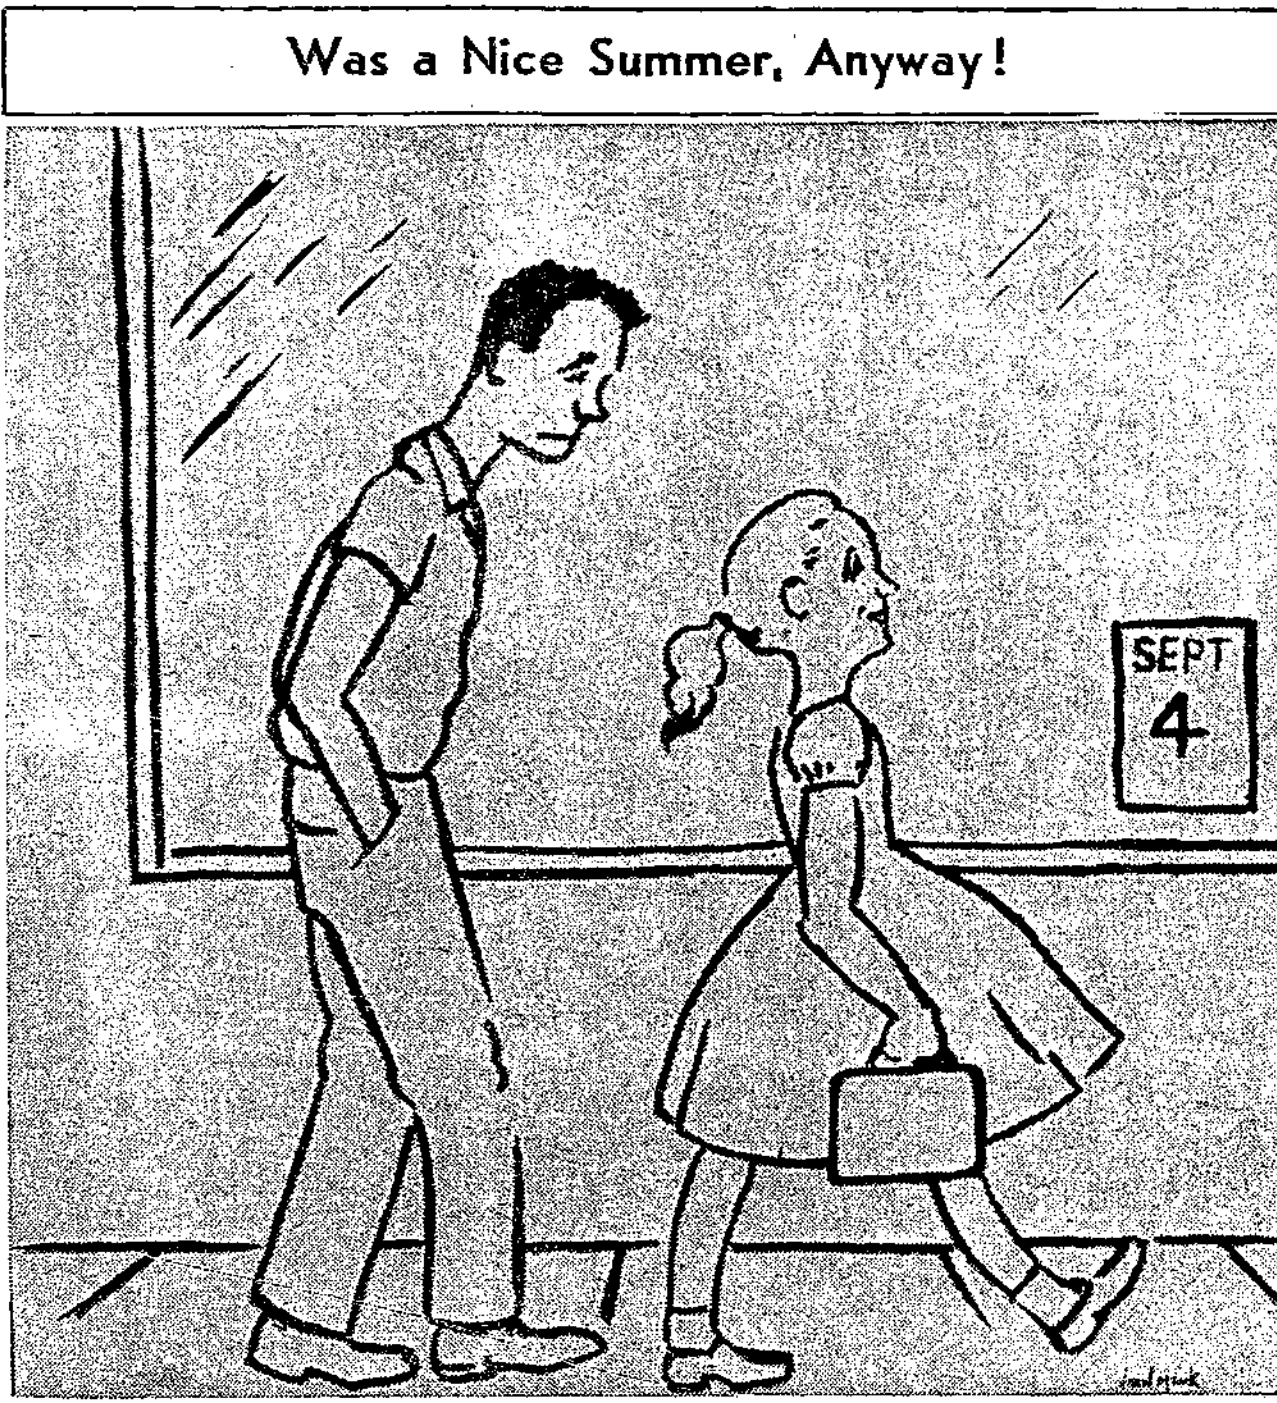

Pittsburgh (AP)—James Anderson, 38, perished yesterday in a fire that destroyed a building in suburban Baldwin Twp. that formerly housed the Blue Moon Inn. Firemen said that Anderson was a watchman who occasionally slept in the abandoned building. Cause of the fire was not immediately determined. There was no estimate of damage.

2,500,000 Pupils Are Returning to Schools in State

Harrisburg (AP)—Schools reopened today for the 1957-58 term for some 2 1/2 million children in Pennsylvania. Most schools started classes today but a few put off the opening until next week.
"Practically all schools in the state open either today or tomorrow," said J. M. Bonebrake, a Public Instruction Department researcher.
"Not too many of the country schools, as they are called, started classes a week before Labor Day as was the practice years ago. 'The country school pupils are reporting for school this week in most cases.'
"As one time they used to come back early and take short holiday periods in order that they could get out for the summer early to help with the spring farm work." He had no explanation of why this practice has been decreasing.

TRACTOR FATALITY

Washington, Pa. (AP)—Richard Hughes, 15, of Washington, Pa., was killed yesterday when the farm tractor he was operating on Canton Twp. road about five miles north of here tumbled down a 15-foot embankment.

All in Readiness for School Term Opening

Joseph V. Passaro, High School Principal, announced today that all is in readiness for the opening of the '57 term of school tomorrow with three teacher meetings on the agenda for today. At 11 a. m. this morning, new teachers met with Mr. Passaro in the High School; a one o'clock meeting found all High School faculty in attendance, and a school district meeting was held at 3 p. m. in Beatty Passaro also announced the building is in good shape, everything passed inspection, from the third floor on down. Nearly 1,000 pupils, with an exceptionally large stream of new students, will be in attendance at 8:25 tomorrow morning.

Parents' Protests Keeping Children From Two Schools

Brownsville, Pa. (AP)—School bells rang today for 75 pupils at Thompson No. 2 School but they never got inside the classrooms.
Parents protesting plans to close the school ushered their offspring to an area outside the school, took the roll call, read the Bible and sang the National Anthem. Plans were to dismiss classes early.
In nearby East Millsboro some pupils never left their homes. Those who did were left stranded waiting for the bus. The bus was halted by pickets on a rural road and ordered to turn around.
The Luzerne Twp. school board recently voted 4-3 to close the Thompson School and send its pupils to Central School, a mile and a half away.
East Millsboro residents protested after the school board announced plans to shut down the East Millsboro School and send its 60 pupils to Isabella School.
The parents contend Thompson School should remain open because the mile and a half walk to Central School is too far for their children.
Parents of the East Millsboro pupils claim school buses would have to pass over a railroad crossing and drive by a 70-foot embankment where there are no guard rails.

President Declares Russia's Claim of Testing Missiles Is A Long Way From Production

Washington (AP)—President Eisenhower, commenting on Russia's intercontinental missile claims, said today mere testing of such weapons is a long way from production.
Eisenhower made the statement at a news conference when asked whether he could give the American people any further information on the status of this country's efforts to develop an intercontinental ballistic missile—ICBM.
The questioner asked for comment in the light of the Soviet Union's announcement last week that it had successfully tested such a weapon.
Eisenhower replied that anything he said had to be within the framework of national security. He went on to say that careful reading of the Russian announcement marked it more for what it did not say than what it actually did say.
The President called the Soviet announcement most evasive. The Russians always have been known for statements which serve only their own purposes, he said.
As for this country's progress in that field, the President actually said nothing about the status of (Turn to Page Ten)

Jamestown Mother, Daughter, 2, Dead in Labor Day Wreck

A Jamestown woman and her two-year-old daughter were instantly killed about 8:38 last night when their skulls were fractured in a three-car smashup on Fluvanna avenue near Jamestown city line. Three others were seriously hurt.
Dead are Mrs. Mary Louise Hedstrom, 36, of West Virginia Boulevard and her daughter, Joetta, 2. Both were pronounced dead on arrival at WCA Hospital. Badly hurt are Paul E. Hedstrom, 39, husband and father of the victim and driver of one of the three cars involved; Peter Sisak, 36, of Route 1, Jamestown, another driver, and Mrs. Gene Bucklin, 22, of Greenhurst trailer court, the third driver.
The mishap occurred when Sisak's northbound car veered into the southbound lane and crashed into Hedstrom's machine.
For Chautauque county, the wreck brought to three the number of persons killed over Labor Day weekend.
First fatality occurred at 6 a. m. Saturday on Route 20 near West Portland. Westfield State Police said a car operated by David McPherson, 39, of Rochester was struck broadside as it went out of control and veered into the wrong lane. He also died of a fractured skull. Four occupants of the second car, all from Dayton, were reported in "good" condition today at Westfield Hospital with a variety of injuries.
At the concluding sessions of the Erie Conference of Evangelical United Brethren churches, held at Camp Findley, most of the local and area pastors of the Jamestown-Warren District were returned to their charges for another year's service.
Francis E. Fehiman, to Salem church; C. E. Kinney, First church; Eugene Donelson, Youngsville; Wayne Ostrander, Cable Hollow; LeRoy Lundgren, Clarendon.
Coming to Bethel church to succeed Vincent Rothwell, now serving as an Army Chaplain, will be Gene Sackett, graduate of Houghton College in 1951 with a bachelor of arts degree, and from Bonebrake Theological Seminary in 1954, with a bachelor of divinity degree. He has been serving at Findley Lake since that time.
Gerald Lundeen will go from Bear Lake to Findley Lake and will be succeeded by Eureka Smith as supply. David Dark, who has been at Chanders Valley, is entering Gordon Theological Seminary at Boston and will be succeeded by Floyd Martin.
For Grand Valley-Sanford parish in the Titusville District, Rexford Meelen of Youngsville, who has been serving at Tryonville for several years, will succeed Harold West, who goes to Millport.
Keith L. Perry is superintendent of the Jamestown-Warren District; S. Paul Weaver continues in charge of the Bradford District and serves at Bradford Hill Memorial. Also in that area, Roger Morey, formerly of Warren's Bethel church, is returned to Bradford West Branch.
Two local men returned to their charges are Curtis E. Gould, to Harris Hill, and Byron Berry, to Rapids, both in Buffalo District. H. Ray Harris returns to Corry; Leo R. Hansen to Edwards Chapel; Harold Lindquist to Erie Glenwood.

SAFETY EXPERTS TERM AS "TRAGIC TREND" FATALITY RATE OVER LONG WEEKEND

By The Associated Press
Traffic accidents killed more persons than the 420 predicted for the Labor Day weekend. The toll appeared heading for one of the biggest for the holiday since World War II.
The heavy highway death rate for the 78-hour period starting at 6 p. m. last Friday and ending at midnight Monday local time was termed a "tragic trend" by safety experts.
Delayed reports of accidental deaths were expected to boost the highway toll above last year's Labor Day total of 439.
However, safety experts said it did not appear likely it would reach the traffic death record for a Labor Day of 461 set in 1951. The second highest total for the holiday since World War II was 438 in 1955. This year's toll compares with 426 for the four-day Independence Day holiday period and 413 for the four-day Memorial Day holiday period.
This year's over-all accidental death toll also was one of the highest for a Labor Day weekend in more than 10 years. The record was 658 in 1951. Last year's over-all toll was 566.
HOLIDAY DEATHS
By The Associated Press
Traffic 434
Drowning 91
Miscellaneous 94
Total 619
As millions jammed highways in the last holiday weekend of summer, the traffic death rate mounted steadily, showing sharp increases Sunday and yesterday.
The National Safety Council, which had predicted the 420 deaths, also had estimated some 45 million cars would be on the highways during the weekend.
Although there is no recognized normal traffic death toll for a similar three-day weekend period, a test survey by The Associated Press for a recent weekend showed 398 traffic fatalities, 82 drownings and 87 miscellaneous deaths for a total of 567.
Included in the weekend miscellaneous deaths were several persons killed in plane crashes. Many multiple-death highway accidents were reported.
Four adults and a baby burned to death near Effingham, Ill., when they were trapped in their flaming car. Four youths lost their lives at a highway intersection near Lima, Ohio. Four other persons were killed in a collision near Conway, S. C.
Labor Day weekend, generally days of pleasure for millions of Pennsylvanians, brought death to 26 persons in Keystone state accidents.
Of the total, 21 died in traffic accidents—one more than Labor Day weekend, 1956.
Three other persons drowned, one man died in a fire and an 80-year-old farmer was dragged to his death under a harrow when a team of horses bolted.
The holiday death count began at 6 p. m. Friday and ended at midnight Monday.
Though the traffic toll exceeded last Labor Day's total, it was under last weekend when 26 persons died on Pennsylvania highways.
There were three multiple accidents.

Hope Fades For Economic Pact For Americas

Buenos Aires (AP)—The Inter-American Economic Conference last night unanimously approved a declaration of principles formally killing any hope for an economic treaty for the Americas in the near future.
The "Declaration of Buenos Aires" was approved by all the American nations except Venezuela, which did not send a delegate to the conference. The declaration set forth 10 basic principles intended to guide the Americas in their drive toward economic betterment.
It replaced but fell far short of the proposed general economic agreement which was to have laid out an economic policy for the hemisphere. The draft agreement bogged down in controversy after two weeks of haggling and objections by the United States, Mexico, Chile, Uruguay, Peru and Paraguay.
Delegates voted to ask the Organization of American States to continue to study the proposed agreement.

Graham Goes Home But Will Return to Gotham

New York (AP)—Billy Graham has gone back home to North Carolina after his record-setting 3 1/2-month New York crusade, but he will return soon for more evangelistic work in the metropolitan area.
He plans to come back to New York Sept. 24 to address a breakfast meeting of New York City clergymen. He will be here again to end a week of evangelism Oct. 27 at the Polo Grounds. The evangelist also plans a few meetings in the vicinity of New York in October.
Graham left here by train after his crusade windup meeting Sunday night in the Times Square area.
Disagreement continues over the size of the crowd at the Times Square meeting.
In addressing the meeting, Graham said it had never "been my privilege to speak to 200,000 before."
Chief Inspector Thomas A. Nielson of the Police Department estimated the crowd at 75,000.

Scene for Libel Trial Set in Chinese Theatre

Los Angeles (AP)—The scene changes in the Confidential trial today. But the big name is the same—Maureen O'Hara.
The trial moves from the dignified courtroom in downtown Los Angeles to the velvet and gilt surroundings of Grauman's Chinese Theatre in Hollywood.
It is there that defense witnesses have claimed the red-haired Miss O'Hara staged a love scene with a Latin friend. Confidential's attorney says that incident was the basis for an article titled "When Maureen O'Hara Cuddled in Row 35."
For Grand Valley-Sanford parish in the Titusville District, Rexford Meelen of Youngsville, who has been serving at Tryonville for several years, will succeed Harold West, who goes to Millport.

Miss America Contest Starts This Evening at Atlantic City

Atlantic City, N. J. (AP)—A group of 51 beauties competing for the title of Miss America 1958 make their first official public appearance tonight in a parade down this resort community's famed boardwalk.
The girls begin actual competition tomorrow night in three categories—swim suit, evening gown and talent. Personality tests will also be given through interviews with judges.
The pageant ends Saturday night, when the judges select a successor to Marian Ann McKim.

Leaving Scene, Reckless And Drunk Driving Charges Stem From Holiday Traffic Mistakes

David E. Bedez, 5, son of Mr. and Mrs. Joseph Bedez, 108 Falconer street, had two limbs broken just before noon Saturday when he darted into the path of a car, in front of 1419 Pennsylvania avenue, west.

Audrey Sudul, 32 of Torpedo, D 1, told police she was heading west on the avenue when she observed two young boys standing in the north curb. As she proceeded, young David ran from the curb into the east lane of traffic, and apparently spotted the car.

Then he turned and was running back toward brother Rodney, about 7, when struck. Ambulance took him to Warren General Hospital when it was determined the boy had a broken upper right arm near his shoulder, broken upper leg plus contusions and abrasions about the head.

Mrs. Sudul will be charged with reckless driving. The boy was reported to have spent a "good night" at the hospital last night.

At 8.22 p. m. Labor Day, a car owned by Geraldine Freund of 751 Jackson Avenue Extension was heading west on Third avenue when the vehicle sideswiped a station wagon parked in front of the Municipal Building by Harold "Skip" Morine of 305 1/2 Water street. Damage was estimated at \$50 to the Morine machine and charges of leaving the scene of an accident will be filed.

Second of two drunken drivers arrested over the long holiday weekend was Clarence Eugene Moore, 49 of Kinzua. According to reports, Moore was heading toward Warren about 10.45 a. m. Labor Day when he ran into the rear of a Warren-bound truck operated by Crestwell Halle, around 40 of 115 Crescent street. The mishap occurred on Route 59

near Marconi Outing Club. Moore sustained \$50 damage to his car, Halle sustained \$20 to his truck.

At 10.30 p. m. Friday, in front of 6 Pennsylvania avenue, west, Harry E. Samuelson, 49, of 233 Jackson street, North Warren veered into a parked car owned by Gladys Wykoff of 306 1/2 Water street. Samuelson, who was headed west at the time of the accident sustained \$75 damage to his car and the parked vehicle had its damage estimated at \$50. Samuelson pleaded guilty to a drunk driving charge when arraigned before Peace Justice Ervin Branch Saturday morning. He is free on \$300 cash bail awaiting court.

Another parked car came in for punishment about 8.29 p. m. Friday when Josephine Olive Krouse, 322 Walnut street, swerved to avoid a boy on a bicycle as she headed west on Fifth in front of No. 17 West Fifth Her car sustained \$350 damages and the parked car, owned by Homer F. Phillips of 16 West Fifth, had damages estimated at \$300.

Mrs. Krouse had two small cuts on her left leg and husband Roy Krouse, aged 43, had a gash on his forehead.

At 6.08 p. m. Friday in front of 1021 Pennsylvania avenue, west, John W. Adams 36 of that address slowed and told police he gave a hand signal as he prepared to turn into his driveway while proceeding west on Penn. Paul A. Lavery, 58, of 1212 Pennsylvania avenue, west, was following him west on the avenue and attempted to pass at that time

News of Interest About the Oberammergau Passion Play, Beaty School Sept. 8-9-10

(Part Three)

MOTHER OF JESUS

Ann Kelley Balfour who plays Mary, the Mother of Jesus, has in the past played most of the other chief women's roles in the play. She and Mr. Balfour also designed the colorful, authentic costumes and spectacular backgrounds.

The wife of Val Balfour feels it is a tremendous responsibility to take the part of Mary, almost as great a responsibility as playing the Christus. She makes an effort to combine the natural, human qualities of Mary with her spiritual personality and to interpret her so as to make her everyone's ideal Mother of Jesus. "I try to leave the audience with a memory of a radiant Mary at the time of the Ascension," she explains "as she is made aware for the final time of the everlasting glory of her Son, not merely the memory of the moments of agony both underwent."

She enjoyed, too, the role of Mary Magdalene, which she formerly played and contrasts the two interestingly. "Magdalene is a

fervent convert at this period of the story," she points out, "and embodies youthful religious zeal. She is an intense dramatic personality. Mary is a much quieter individual, not hysterical like Magdalene. Only by portraying Mary as a simple, human mother can one convey the human suffering she underwent in contrast to her later peace of mind."

CHRISTUS ROLE DIFFICULT

It is not easy to learn the role of the Christus. Staying immobile on the Cross for fifteen minutes requires a special kind of muscle control and control of breathing which takes many years of practice to master. How he does it is a sort of trade secret handed down from one Christus to the next as is also the secret of what makes the Chalice in the Last Supper scene glow with living fire as the lights fade out and the departing Disciples leave the room deserted.

The Chalice, which is a single drawn piece of brass from Germany, has been used in the play for more years than anyone can remember. The Crown of Thorns is the only one Val Balfour has ever worn. It, too, has seen many performances. It is made of thorn bush from the hills of Oberammergau, Bavaria, and he is, he says, "very gentle with it." The dark red toga, too, which he wears in Christ's early scenes is very fragile now. It is so worn that it might tear at a touch. Woven of thin silk and cotton, it was presented to him for his first performance, and he has been wearing it ever since. No one else is allowed to touch it. Some of the drama of the Christus character is due to the way he is dressed in simple white in the midst of brilliant, deep, or rich colors of the robes of everyone around him. He wears a white cotton robe in the early scenes with the red toga, and later with a purple cloak. In the Ascension scene his robe is shining white satin.

To the Directors of the School Board
School District of Warren Borough
Warren, Pennsylvania

Gentlemen:
We have examined the financial records of the various funds of the School District of Warren Borough as of July 1, 1957, and the related Summary of Auditors' Report duly filed with the Prothonotary and to be confirmed absolutely unless appeal be taken according to law. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the account- ing records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying Summary of Auditors' Report presents fairly the financial position of the School District of Warren Borough at July 1, 1957, and the results of its operation for the year then ended, in conformity with generally accepted accounting prin- ciples applied on a basis consistent with that of preceding years.

NOTE TO "SENSIBLE"
An interesting letter on a time- ly subject apparently from a War- ren resident, signed "Sensible" has been received. We would be happy to publish same if the writer will kindly identify self as a matter of confidence and good faith. Names will be withheld if desired.

DANGEROUS PASTIME
For some time officials of the Warren Water Company have been concerned over the fact that boys have been playing on and around the million-gallon reservoir on Tanner Hill. The fact that the top of the giant tank is forty feet from the ground added to the apprehen- sion that has been felt over the situation. Friday a local lad with a guest from Ohio were apprehend- ed by a company official and taken to the Municipal Building where they were lectured by Chief of Police M. Egan, who pointed out that they were not only endanger- ing their lives but trespassing on private property. It was also re- vealed that the paint job on the tank has been marred in recent weeks. Warning is issued that boys caught on the property in the fu- ture may not escape with a mere lecture.

Kiwanians to Hear Talk On Guernsey Association

Lynn Burgett, president of War- ren County Guernsey Association, will be guest speaker for the Wed- nesday luncheon-meeting of Ki- wanis Club, 12.15 p. m. at the YWCA activities building. His talk, arranged for by Carl Peterson and sponsored by the Kiwanis agricultural committee, will deal with activities and aims of his organization. Next Wednesday's program will be presented by William Yeager, Jr., and will concern the Civil Defense Rescue Division's program and activities. On September 18, the club will resume its annual chicken barbe- cue for members and their ladies, this event to be at 6:00 p. m. on Blomquist Island at North Warren. Reservations should be made as early as possible. Rounding out the month, Floyd

Clinger will be in charge of the program for September 25, details to be announced. It is anticipated the local club will be represented at the 40th an- nual Pennsylvania District con- vention in Pittsburgh October 6-9, with sessions convening promptly at 9:00 a. m. that Monday in the Urban Room of the Penn-Sheraton Hotel.

QUIET WEEKEND

So far as the Warren area was concerned, the long holiday weekend was perhaps as quiet as any ever experienced, and, fortunately, unusually free from serious accidents.

The nation's workers enjoyed the Labor Day holiday while their leaders in government and unions lauded their accomplishments.

President Eisenhower, sounding a note of deep appreciation, said, "It is fitting that we pause to pay tribute to the skill and strength of our working men and women. In their hands and minds is the power of our growth and the promise of continuing achievement."

Favorable weather added greatly to the success of the Jaycees' Air Fair at the Municipal Airport Sunday, and the Elk Township Homecoming program which attracted large crowds to Scandia Monday.

And finally, the long weekend holiday and summer vacation will end for the youngsters when they trek back to their desks in the various schools of the borough and county tomorrow.

PROPHETIC WORDS LONG AGO

Some prophetic words were uttered in Warren more than a half century ago regarding the present international situation. The occasion was the funeral of Capt. Lewis M. Clark, a warrior son of Warren, who had been brought home to rest from Manila. The orator was Rev. J. William Smith, D.D., minister of First Presbyterian Church from 1891 to 1920.

Said Rev. Smith on November 27, 1903, in his funeral oration in which he quoted the prophesy of still an earlier era:

Emile Laveleye (1888-1892), a Belgian political economist, is quoted as saying years ago: "A hundred years hence, leaving China out of the question, there will be two colossal powers in the world, beside which Germany, England, France, and Italy will be as pigmies—the United States and Russia." In these days, when Russia is hurrying eastward on her Siberian Railway, and breaking her pledges in holding Manchuria, and revealing as many of our far-seeing men perceive, an intense hostility to our growing commerce, it is well enough to stop and ask, for what does Russia stand. For reply we need only to look at her absolutism in church and state. With her the individual is nothing. Her civilization and ours are antipodal. Irreconcilable as daylight with darkness is our life with her life. More than half a hundred years ago Lord Palmerston prophesied that when the final death grapple between absolutism on one side and liberty on the other took place the Slav would face the Anglo-Saxon. And when that international Armageddon is waged the plume of the Henry of Navarre will be Red, White and Blue, and it will wave over the head of this giant republic. That will be the altar of the World's liberty. The cutting of the Isthmus will swing the Pacific Ocean eastward by its own diameter. We are living in the age of epoch-making events. God is standing "within the shadow keeping watch above His own." To obey is to die; but it is on a splendid altar.

The cartoon that appeared on the editorial page Friday about the Jaycees' Air Fair and the one today on page one calling attention to the opening of the public schools tomorrow, introduce to Times-Mirror readers Vern Mauk, art instructor at Beaty school, whose contributions will be frequent features in the paper in the future.

Folks up around Elk township are to be commended for the success of the annual homecoming held Monday with a program that was greatly enjoyed by the large crowd present.

On the subject of entertainments, don't forget the Youngville Community Fair which opens tomorrow and extends through Saturday, with special feature programs for each day and evening.

Rude Awakening

Here and There

Sixty years ago, when The Warren Mirror printed as usual on Monday, September 6, 1897, one of the first items under the "Daily Reflections" column on page four said: "Labor Day means what it says in Warren." Other items that make timely reading today picked at random: "Chestnuts and buckwheat cakes are ripening." "A guess on the bicycle with every purchase at Siegfried's." "No matter how lazy a lawyer may be he occasionally works with a will." "The contract for furnishing the gas and electricity for the new Warren YMCA was awarded to J. B. McCoy & Son, New York, the same firm who did similar work for Trinity church." "The Good Roads committee met with the Fair directors last Saturday afternoon and explained the object of their appointment, the result being that Wednesday, September 15, at 11 o'clock was set apart as the time for the good Roads mass meeting on the Fair Grounds." "Coleman's orchestra finally arrived at Allegheny Springs Saturday afternoon, a week behind

schedule." "A bus load of young society lights of Warren will dance at the Springs this evening." "Keenan, the Warren rider, carried off some valuable prizes at the bicycle meet at Meadville Saturday." "Miss Ethel DeForest returned to the state normal school at Lock Haven Sunday evening." "Miss Mary O King left Sunday for Corry where she has accepted an appointment as teacher in the public schools." "It was business in usual in Warren today, excepting for the fact that the banks observed the Labor Day holiday."

Chuck Tranter, executive secretary of the Warren Area Chamber of Commerce, reminds us that participants in the Air Fair this weekend were able to use the newly resurfaced 2,000 foot east-west runway landing strip which was financed through the joint efforts of the borough and Chamber of Commerce. Total cost of the resurfacing was \$9,396 half of which was donated to the borough by the air transportation committee of the Chamber. Stanley Dosbler, chair-

man of the special fund drive for the airport repairs has announced the following firms as contributors to the Chamber project: Anderson Baking Co., Betts Machine Co., Certified Electric Corp., Deluxe Metal Furniture Co., Fernow Pontiac-Cadillac, General Concrete Products, Intelelectric Corp., Keystone Concrete Products, Loranger Plastics, Masterson Transfer Co., Myers Laboratories, Inc., National Forge and Ordnance, Pennsylvania Furnace & Iron.

Also Silver Lamp Company, Solar Electric Corp., Struthers-Wells Corp., Sunray Products, Sylvania Electric Products, Inc., United Refining Co., Walker Creamery Products, Warren Aviation Club, Warren Television, Warren Bank and Trust Co., Warren National Bank. Prior to raising the funds to keep the airport in repair, the Chamber transportation committee, headed by Neil Culbertson, conducted a survey among local business firms which revealed much interest in maintaining the field for private planes and executive travel. Since the repairs have been made, pilots are now willing to use the strip for twin engine planes so that local business executives need no longer drive to Bradford and Jamestown to board their chartered flights.

Nothing can bring a bright spot into an otherwise dull day like a letter from a child. This one, postmarked August 29, 11:30 a. m., and palmistakingly inscribed, "SPECIAL DELIVERY", is addressed to Mr. Santa Claus, North Pole, and that merry gentleman has kindly let us read the message inside.

"Dear Santa Claus," it says, "I want a windup train, and a great

To the Directors
Warren Area Joint School Board
Warren, Pennsylvania

Gentlemen:

We have examined the financial records of the Warren Area Joint School Board as of July 1, 1957, and the related Summary of Auditors' Report duly filed with the Prothonotary and to be confirmed absolutely unless appeal be taken according to law. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying Summary of Auditors' Report presents fairly the financial position of the Warren Area Joint School Board at July 1, 1957, and the results of its operation for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of preceding years.

Conservatory Teacher

Byron Swanson, director of
Warren Conservatory of Music, an-
nounces the board of directors has
engaged Miss Jeanne Nicolas, of
Kane, as teacher of piano. The
newcomer has a splendid educa-
tional background, is a graduate
of the local Conservatory and holds
AB and MA degrees from Welles-
ley College.

In addition to many years of
study with Dr. LeRoy E. Camp-
bell, she has worked with Bruce
Simonds, chairman of the music
department at Yale University;
Dr. Clarence Hamilton, head of the
music department at Wellesley;
William O'Toole, director of the
Trenton Conservatory of Music;
and had two years of instruction
with the famed concert pianist
Boris Goldovsky.

Mr. Goldovsky has written of
her: "I am glad to recommend
my former student, Miss Jeanne
Nicolas, a very gifted pianist and
musician". Howard Hinners,
chairman of the department of
music at Wellesley, says of her:
"It is a pleasure to recommend
her as a markedly talented musi-
cian and a person of innate re-
finement and intelligence."

While living in Boston, Miss

JEANNE NICOLAS

Nicolas taught for four years at
Winsor Private School for Girls.
Registrations for her Warren

MR. AND MRS. PETER LEOFSKY

St. Hedwig's church in Erie was
the scene of a pretty August 10
ceremony uniting in marriage
Bernice Jeska, daughter of Mrs.
Bernice Jeska of Erie, and Peter
Leofsky, son of Mr. and Mrs. W.
C. Leofsky of Garland. The Rev.
Joseph Cebeliniski celebrated the
nuptial mass.

Given in marriage by her brother,
Frank Jeska, the bride wore
lace over taffeta. The full skirt
having a set-in chapel train of
nylon tulle ruffles. Matching lace
was applied to the fingertip
veil and her cascade bouquet of
white stephanotis and dracopis
was centered with white
Eucharist lilies.

CALVARY EVENTS

Activities of the week for Cal-
vary Baptist church include the
Wednesday evening midweek pray-
er and Bible study, and the Satur-
day evening Prayer for Revival.
Members of the parish have been
invited to join the Starbrick con-
gregation for a missionary rally
at 7:30 p. m. Saturday.

Next week, "God's Invasion
Army", a group of specially-train-
ed young men and women will ar-
rive in Warren as guests of the
parish and will carry out a planned
program of visitation and witness-
ing from September 9 to 16.

Attendants, wearing embossed
nylon over taffeta, were Mrs. Dor-
othy Dombrowski, as her sister's
maid of honor; Theresa Stanope-
fic, Shirley Wisniewski, Barbara
Mikolajczak, Mrs. Theresa Berdis,
with Cathy Ganzer as her aunt's
flower girl, and a nephew, Tommy
Dombrowski, the ringbearer.

Paul Leofsky accompanied his
brother as best man; ushers were
another brother, Edward Leofsky,
and a cousin, Edward Leofsky,
with Chester Wawrzniak and Len
Ziold.

Following a reception at the
Knights of St. John, the couple
left for a Florida trip. Returning,
they will live in Buffalo.

MUSANTE FAMILY REUNION

A very enjoyable family reunion
of the descendants of the late An-
thony Ammedeo and Eugene Mu-
sante and Donatilla Heny was
held at the Musante camp near
Chapman dam yesterday with 62
attending.

With miniature golf, volley ball
and horseshoe pitching as main
events, the small fry went "fish-
ing", and others enjoyed cards.

The oldest member of the fam-
ily, Clyde Henry, was absent but
little Karen Gretto, eight months
old, the youngest, was among those
present.

Officers were elected as follows:
Thomas Musante, president;
Charles Musante, vice president;
Irene Musante, secretary and Ruth
Reilly, treasurer. It was voted to
make this an annual affair and
the date to be set to suit the ma-
jority.

A rising vote of thanks was ac-
corded Thomas Musante and his
committee consisting of his wife
and son Tom and Mr. and Mrs. Jo-
seph Musante for their work in
planning the meal, and barbecuing
chickens for the group, which was
the main dish for the three din-
ner enjoyed at 5:00 o'clock.

Out of town guests were Mr. and
Mrs. James Heitsenrether of Clear-
field and Mr. and Mrs. Paul Masci
of Erie.

Gathered From The Party Line

Visiting last week at the home of their parents, Mr. and Mrs. D. E. McComas at 12 Central avenue, were Mr. and Mrs. Donald E. McComas, Jr., and son, Michael, of Pottsville, Pa.; Mr. and Mrs. Robert E. Zook, Mr. and Mrs. Andrew J. McComas and daughter, Claire, of Pittsburgh. On Monday, the group was augmented by Mr. and Mrs. Willis C. Lundahl and children, David, Judith, Chris and Anne. With the "in residence" McComas family of five, an enjoyable reunion was held over the weekend, the first time this entire group has been together since before 1941.

Mr. and Mrs. David Adams, Rochester, N. Y., were weekend guests of Mrs. Elizabeth Anundson, Times Square.

Mr. and Mrs. Ernest Hoskins, Water street, have had as guests their children and grandchildren, Mr. and Mrs. Raymond Smith and children, Ronald and Gretchen, Erie; Mr. and Mrs. Richard Donovan and children, Jeffrey, Virginia and Debra, Upper Marlboro, Md.

Among college-bound young people of the area is George Ruce, Sheffield, who is enrolled at University of Colorado, Greeley, Colo.

Miss Stavroula Fanos, daughter of Mr. and Mrs. Anthony Fanos, of 101 Verbeck street, left Friday to take up her duties as choral and instrumental music director in Parma, O. Schools. Graduate of Warren High School, she completed her college work this spring at Oberlin. Her sister, Toula, is entering Marjorie Webster Secretarial School in Washington, D. C., this fall after graduating from WHS in June.

The Rev. and Mrs. Ray Albough and family, South Dayton, N. Y., visited friends and relatives in Russell and Warren over the Labor Day holiday.

Mr. and Mrs. Edward Buerkle and children, Bobbie, Eddie and Marilyn, Union street, have returned home from a vacation in Daytona Beach, Fla.

Guests over the weekend at the Robert Bloom home in Quaker road were Bill Wehner and son, Bill, of Harrisburg, the latter coming for a scheduled reunion of his Warren High School Class of '54, only to find the affair had been called off.

Miss Linda Weisacher, Clarendon, arrived home Sunday after a two-week visit in Buffalo. Accompanying her to spend the day were her brother, Bill, also Estel Cereino and Joe Tramontana.

Miss Carolyn Eddy, daughter of Mr. and Mrs. Everett Eddy of 410 Market street, has left for Titusville, where she will teach general science in the Junior High School. Graduate of Warren High in 1953, she completed her college work at Grove City in June of this year.

Congressman Leon H. Gavin, Oil City, left Friday for a six-weeks' tour of European installations as a member of the Armed Services Committee, expecting to be back in the district soon after the first of October.

From Paris: New Fashions in Lace

From the Paris collections for fall, 1957, come these collections in lace. Evening gown by Catherine Sauvage (left) has skirt made of yards and yards of filmy, pleated aquamarine Chantilly lace. The bodice is low-backed and boned, is embellished in crystals and pearls. The brilliant designer Chanel handles lace (right) in the typical Chanel manner. The dress is black-and-white Chantilly fitted through the top part of the body and ending in a wide and pretty skirt.—By ROSETTE HARGROVE, NEA Staff Correspondent.

'SOUTH PASADENA, Calif.—
(NEA)—There's more to a house and its bathroom than a burning night light. The house's complete color scheme may stem from this room.

The woman who says that color in the home is set by the decorative scheme of the bathroom is teased about a pink men's room she designed for an aircraft plant.

But Margaret Hargreaves ignores derisive snorts. She directs her seven-day week at Custom Color in South Pasadena with a knowing twinkle in her eye. She explains her role as color stylist to mean color designing or engineering.

"I use the scientific and mathematical approach to harmonize colors in homes or factories," she said. A former department store decorator and color consultant for a British architectural firm, she has considerable experience in applying these methods. So much so that she has a night, day and Saturday staff.

So far this year she has worked out color for interiors and exteriors of 23,800 homes in 50 housing developments in California.

The bathroom theory sets a

Margaret Hargreaves

workout in these homes. "I use bathrooms, coordinated with asphalt roofing shingles, to key these home colors for a practical reason. These are the materials that have to be ordered first."

Color engineering is very important today, she stressed. Color alone is not effective. It is the way it is used in harmony with

something else—the overall effect.

She believes color is more important than food, which opinion recalled a color experiment with food. Diners lost appetites over such items as green steaks and purple green beans.

With an "Ugh!" for the green steaks, she added, "Many unhappy marriages are due to color... and color can cause more family arguments."

Why is color sweeping the country? Mrs. Hargreaves feels it is the influence of the West on the East. Fixtures, floor coverings, vinyl tiles, for example, come from all over the country. These are designed to fit the tastes of the West.

"I use bright colors, for example, in sunny climates to keep the sun from eating up the color," she said.

And the pink men's room?

"It is really coral and gray with pepper and salt walls," she explained. "I designed it for Northrup in Hawthorne."

"Women, you know, have colorful lounges in which to smoke, take off their shoes and relax. But for men, no such thing. Stark, steel gray or some such dull color has been their lot."

"Industry, however, is getting wise to the relation of color and fatigue. So I did the 'pink men's room' as their relaxing haven."

Census Bureau Report Reveals Interesting Facts on Incomes

By G. K. HODENFELD
Washington (AP)—Personal income in the United States last year reached a record 324 billion dollars. This was an average of \$1,940 for every man, woman and child in the country—before taxes, that is.

The figures came out in a Census Bureau report that showed, among other things:

Delaware's \$2,858 was the highest per capita income in the country, 38 per cent above the national average. Mississippi was low with \$964, less than half the average. Indiana hit the average almost on the nose with per capita income of \$1,946.

Fifteen states and the District of Columbia were above the average; 33 states and Hawaii were below.

The reports covered all sources of personal income, including wages and salaries, net income of unincorporated enterprises including farms, net rental income, dividends, interest and such items as social security benefits, direct

SECTION 4. This Ordinance shall become effective immediately upon its final enactment. Aug. 27, Sept. 3-10-57

Vases Will be Welcomed by Fall Flower Show Committee

Vases you're tired of or seldom use will be welcomed by the Fall Flower Show committee on Thursday, when amateur gardeners from all over this section of Pennsylvania and New York bring fruits and vegetables, as well as flowers, to the Fall Flower Show in the Woman's Auditorium, 510 Market street.

This big community event is free to all exhibitors and to the public who comes to enjoy it from 2 to 10 Thursday. But—there are expenses to be met. And anyone who has a vase or two which they're tired of or don't care about, bring them to the show. They'll be sold for a very small amount to help defray expenses of the show.

Chairman of the vase sale, Mrs. Raymond Steber, states, "A vase sale was such a huge success at our June show a year ago, that we're repeating this fall. Do bring your old vases, or new ones you never use or find don't fit into your color scheme. They may be just what some one else needs. And, maybe you'll find a vase here you'll want! They'll all be wonderful bargains."

The unlucky expert buttonholled me. As usual something horrible had happened to him. This time it was duplicate and the unlucky expert was West. Here is his sad story.

"My partner opened one no-trump. South overcalled with two diamonds and I jumped to four hearts. We were not playing the transfer bid.

"North and East passed and South mumbled something that sounded like five clubs. He repeated the bid and I doubled. North went five diamonds and my partner passed. I toyed with the idea of doubling five diamonds; my opponents were vulnerable and we were not and my partner had opened one no-trump. On the other hand he had not doubled five diamonds and South just had to have a tremendous freak. I went to five hearts. North bid six diamonds and

now my partner was ready with the double.

"I opened my singleton trump. It was well that I did. This gave my partner a chance to lead a second trump later on so declarer had to lose two club tricks. With any other lead he would have actually made the doubled slam."

"What's wrong with that?" I asked. "You were plus 200, weren't you?"

"Yes," he replied. "Plus 200 for exactly one match point. One team doubled five diamonds and let them make six. Everyone else played four hearts undoubled or five hearts undoubled or five hearts doubled and wrapped up the contract.

"Look what South did against me. He went to five clubs by himself when vulnerable, picked up the deck in dummy and broke two suits evenly. I did everything I could do and wound up with nothing."

CONSTIPATED?
New laxative discovery un-locks bowel blocks without gag, bloot or gripe

Constipation is caused by what doctors call a "thrifty" colon that, instead of retaining moisture as it should, does the opposite: robs the colon of so much moisture that its contents become dehydrated, so dry that they block the bowel; so shrunken that they fail to excite or stimulate the urge to purge that propels and expels waste from your body.

To regain normal regularity, the dry, shrunken, constipating contents of your colon which now block your bowel must be re-moistened. **Second**, bulk must be brought to your colon to S-T-R-E-T-C-H STIMULATE it to action; to a normal urge to purge.

And, of all laxatives, only COLONAM, the amazing new laxative discovery possesses COLONAM's great moisturizing capacity, plus COLONAM's stretch-stimulating bulk. So effective it relieves even chronic constipation overnight. COLONAM is yet so smooth, so gentle it has proved safe even for women in critical stages of pregnancy.

Superior to old style bulk, salt or drug laxatives, COLONAM neither gags, bloats nor grips; won't interfere with absorption of vitamins and other valuable food nutrients; in clinical tests, did not cause rash or other reactions.

It's a physiological fact: Exercise tones your body! And COLONAM exercises your colon to tone it against constipation, overnight! Get COLONAM, in easy-to-take tablet form at any drug counter, today! Only 98¢ for the 60 tablet package, brings positive relief at less than 2¢ per tablet.

Yanks Strengthen For Final Stretch By Buying Maglie

New York (AP)—Yankee Stadium, which boasts of many things including pennant strainers and a cocktail lounge, had a barber in pin stripes today.

Sal (The Barber) Maglie, the veteran National League pitcher who dabbles in pennant insurance, set up shop there Sunday after the New York team sent \$25,000 and two unidentified minor league players to the Brooklyn Dodgers for his 40-year-old right arm.

Sal hurried the New York Giants to pennants in 1951 and 1954, flopped with the Cleveland Indians early in 1955, and then returned to the National League to pitch the Dodgers into the World Series against the Yankees last year.

He's expected to do the same for the Yanks, specifically to protect a 5½-game New York lead in the final month of the season. But even if he is able to insure the pennant for the Yanks, he won't be able to play in the World Series.

A player must be with the pennant-winning club Aug. 31 to be eligible. Buzzy Bavasi, Dodger vice president, freely admitted that was the reason the Dodgers held up the deal reported by The Associated Press to be in the making last week.

With Terry Scansse's excellent pitching, Gaughn's Drug became 1957 Bantam League champs in the Hot Stove league with a 9-2 victory over Warren Bank and Trust Saturday.

Scalise pitched a brilliant no-hit game, striking out 14 batters. Bobby Lucia wielded the big stick for the winners, having a perfect day at the plate with three for three. Both of the losers' runs came on walks with bases loaded.

Trophies will be awarded to the victors for the memorable occasion, with due congratulations going to the managers, Joe Scalise and John Berardi.

Annual Men's Golf At Country Club Drawing to Close

As the annual men's golf tournament at Conewago Valley Country Club draws to its close, the first flight consolation has been settled. Johnny Carter won the final from Bob Ritchie on Saturday, six up and 4 to play.

Carter, after losing to Pete Juliano in the opening round, defeated Walt Dremann, Dr. Yerg and finally Ritchie who had previously turned back "Bud" Kopf and Dr. Sedwick.

In the second night, Lloyd Cleveland and Harold Smith met in the finals, while in the consolation Kerm Vicaner plays Tom Atwell or Sam Rasmussen.

Dr. Jim Giunta and Dr. Earl Meyers will meet in an all-dentist final in the third bracket. In the consolation Gaston Hamilton plays the winner between Carl Lundahl and Fred Martin.

Merle Kremer won the fourth flight with a win over Merle Rossell. In the consolation Louie Davis is paired with Bob Voigt and Johnny Panaritis plays the winner of Bill Walker or Stu Beckley.

Athlete Leaving Duke Because He Is Homesick

Pittsburgh (AP) — A former Mount Lebanon High School football star says he is transferring from Duke University to the University of Pittsburgh this year because he is homesick.

Fritz Walker, a Duke freshman last year, made the All-WPIAL team when he played at Mount Lebanon. He will not be eligible for the Pitt football squad this year because of rules governing transfer students.

Meanwhile, coach Johnny Michelson sent the Panther Squad through its first fall drills yesterday.

Mike Klapak Is Winner Of Trenton Auto Race

Trenton, N. J. (AP)—Mike Klapak swept past a field of favored drivers who fell by the way to win the 500-mile late model stock car race at the Trenton International Speedway yesterday.

Klapak hung around ninth place in the early laps that saw heat and mechanical failure take the toll of favorites Sam Hanks, winner of the Indianapolis 500 this year, Johnny Mantz and Ralph Moody.

It was the first victory in 12 starts for Klapak, 44. He made four pit stops for fuel and tires and posted an average speed of 81.7 m.p.h. He is from Warren, Ohio.

He took the lead of 310 miles and never gave it up for the top money of more than \$4,000. He drove a '57 Ford.

Hanks was denied when his '57 Mercury blew a piston after 270 miles. He had held the lead for nearly 80 miles up to that time.

Double Sweep Over the Cubs About Clinches for the Braves

By ED WILKS
The Associated Press

Labor Day spelled the end of hard labor for the Milwaukee Braves in their run for the National League pennant. But it revived a suspicion that the New York Yankees will have to work overtime for the American League flag.

The Braves just about nailed their first title since 1948 (when they were a Boston bunch) with a rollicking 23-10 and 4-0 sweep of the Chicago Cubs. That produced an 8½-game lead again as Cincinnati spilled second-place St. Louis twice, 10-5 and 3-1 in 10 innings.

Third-place Brooklyn skidded nine games back, losing a pair to Philadelphia 10-4 and 7-4.

The Braves, playing at a 588 pace 10-7 since breaking up the hottest race in NL history with a 10-game winning streak, can loaf at 500 without too much worry through their remaining 24 games.

But the Yankees, who should have wrapped up their third consecutive pennant with a three-game sweep against second-place Chicago last week, now find themselves with only a 4½-game edge after losing a pair at Baltimore. They blew a six-run lead in an 8-7

11-inning defeat, and then dropped a 6-1 decision as Connie Johnson hit the AL season high with 14 strikeouts.

The White Sox muffed a chance to nick another game from the Yankee lead by losing 5-4 at Detroit after beating the Tigers 8-2 for Billy Pierce's 18th victory, tops in the majors.

Yankee Mickey Mantle also lost ground in the twin bill, going 1-for-7 and dropping four points to .373. That cost him the bat lead Boston's Ted Williams, in bed with a cold as Boston swept Washington 7-1 and 8-7, regained the lead with his static .376.

The New York Giants swept Pittsburgh 11-5 and 4-3 in the other NL twin bill and Cleveland clubbed Kansas City 8-0 and 6-3 in the other AL action.

If the Braves have a worry, it could be Lew Burdette. The big right-hander 34-7 hasn't gone the distance or gained a decision in three tries. He failed to make it even with a 13-3 lead in the opener as Elmer Johnson relieved in the third and mopped up for his seventh victory.

Sophomore Bob Trowbridge gave the pitching a boost in the nightcap with a three-hitter.

Double Win Evens Giants' With Bucs For Summer Season

New York (AP)—Thanks principally to a cast-off slugger and a young pitcher the New York Giants are even with the Pittsburgh Pirates over the first 14 of their 22-game season series.

Hank Sauer, 38-year-old outfielder cut loose last year by the St. Louis Cardinals, drove in six runs with two homers and a single as the New Yorkers won the first game of yesterday's doubleheader 11-5.

Johnny Antonelli helped win his own game in the nightcap by blasting a two-run homer. Willie Mays also hit a home run in the 4-3 Giant triumph.

Sauer's homers were his 23rd and 24th of the year; Mays' blast was his 30th.

Sauer's first homer gave the Giants a 2-0 lead in the second inning off starter Ronnie Kline. He hit another in the third inning to increase his team's margin to 5-0.

Johnny O'Brien, who made a rare starting appearance on the mound, put the Bucs ahead in the sixth with a run-scoring double. Antonelli helped himself to his 12th victory against 14 defeats by pounding out his third homer of the year in the last of the sixth.

Burgess And Wife Win Mixed Foursome Event

Mr. and Mrs. Bill Rice walked away with the annual Labor Day mixed foursome event, held yesterday at the Conewago Valley Country Club with 30 pairs participating. Betty and Bill carded an 82 for a net 60 which gave them a two-stroke lead over Sally Siggins and Guest Bill Richmond who also scored 82 for a 62 net.

In third place were Sally Gannoe and Rob Alexander whose 81 with a 27 handicap gave them a net 64.

Mr. and Mrs. John Carter won low gross prize with a 39-38 for a five over par 77.

Indians Win Both Ends Of Last Double-Header

Cleveland (AP) — The Cleveland Indians won both games of their last scheduled doubleheader of the 1957 season yesterday, defeating Kansas City 8-0 and 6-3.

Pitcher Mike Garcia gave up only five hits in the opener as he chalked up his ninth victory, against eight defeats. He didn't

issue a walk and struck out two. Of the five hits he gave up, three were singles by Woody Heald.

Kansas City took a 3-0 lead in the second contest, but Cleveland came from behind to win on Vic Wertz's 23rd home of the year in the second inning, an unearned run in the third, and relief pitcher Cal McLubb's three-run homer in the fourth. The Indians added an insurance run in the eighth on singles by Roger Mairs, Chico Carrasquel and Larry Raines.

Speaking of Sports ---

Thiel College gridders reported to the college campus in Greenville Sunday and started their drills yesterday morning. Forty-six prospects tried for positions on Coach Joseph DiFebbo's squad. Of the 46 aspirants, 25 are freshmen and 15 lettermen. One of DiFebbo's big problems will be filling the slots left vacant by last year's co-captains.

DiFebbo will have a new assistant this year in James Reynolds, a Thiel Alumnus and member of Thiel's undefeated 1950 team. Reynolds was head coach at Hickory High School in Mercer County. He will work primarily as line coach. Thiel will get its season under way on September 21, in a home game with highly rated St. Vincent College. The Tomcats also have removed their rivalry with Hiram this season and have added St. Lawrence University to their schedule. Westminster, Bethany, Hobart, W & J and Allegheny fill out the Tomcats' schedule.

MONDAY'S STARS

By The Associated Press

Pitching: Connie Johnson, Orioles, set an American League season high and matched the Baltimore record with 14 strikeouts in 6-1 victory that gained a sweep over the first place Yankees, who lost 8-7 in the 11-inning opener.

Hitting: Wes Covington, Braves, drove in eight runs in 23-10 and 4-0 sweep over Cubs with six hits in 10 trips, including three run homer and two-run triple.

Fourth Ace Is Scored This Season on No. 7

Tim Creal, practicing up for the golf championship against "Skip" Morine next Sunday, scored the third hole-in-one of his career on Saturday when he dropped a 7 iron into No. 7 hole for an ace.

Creal was playing with his sons, Tony and Chris, and a guest, Bill Richmond, at the time.

This is the fourth ace on No. 7 this season. Mrs. Melvin Keller, Mrs. Jeral Angove and Horace A. Cray have scored holes-in-one there previously during the summer.

Steelers Finally Have Game In The Win Column

By The Associated Press

Pittsburgh's Steelers finally have a game in the win column in the National Football League standings after turning back the Philadelphia Eagles 17-12 in the only game played Labor Day. For the Eagles it was their fourth setback without a victory.

In making their exhibition record 1-2, the Steelers overcame a 1-10 deficit at the end of the first quarter for a 14-10 halftime lead and then added a fourth period field goal by Gary Glick.

Games over the weekend saw the San Francisco 49ers defeat the Cleveland Browns 21-17 for their third straight victory Sunday. Saturday the Detroit Lions also won their third straight defeating Washington 31-14 while the Los Angeles Rams walloped the Chicago Cardinals 63-21.

Wildcats Bounce Back To Edge By Marlin - Rocks, 7-6

Fred Gray was nipped for five runs on four hits in the first three innings as Marlin-Rockwell took a 5-0 lead, but Ludlow Wildcats bounced back to defeat them 7-6 Sunday at Wildcat Park.

The big right-hander got over his shaky start and blanketed the rollers in next seven innings before they scored in the 11th on a hit by Hannon, Wybernac's sacrifice and a single by Battaglia.

Ludlow made it 5-3 in the fourth on Mike Kulka's walk, John Castagnino singled, Frank Lyle was safe on first, a baseman's error, and all scored on John Mighazzo's double to right center. Ludlow tied the score in the eighth when John Castagnino's long doubled to left. Basil Kulka singled to right and Frank Lyle tripled.

In the eleventh, Mighazzo and Thompson singled George Juban sacrificed both runners. While Pitcher Gray was batting, Catcher Parsons threw a wild one past third and both runners scored.

Kinzua Wins Pennant In County Association

Kinzua won the Chautauque County Association pennant on the last day of the season Monday with a 6-1 victory over Falconer behind the four-hit pitching of Ray Peterson.

The Kennedy Grill nune, after bottling Kinzua for first place from the opening day of the race, crumbled and fell to Onoville, 22-4, one of the circuit's most lopsided counts of the campaign, to fail its final test.

Frewsburg walloped Sugar Grove, 14-2, on 11 hits as Billy Chandler pitched four-hit ball. Bill Greene led the victors' attack with a homer and Bill Cass and Chandler contributed doubles.

Busti won over Sherman by the forfeit route.

Frewsburg and Onoville will replay their protested game at Frewsburg next Sunday afternoon at 2.

Kinzua nailed down the flag with a run in the first inning and four in the second. Bill Brown walked and Carl Peterson's single eventually scored him in the first. Singles by Jack White, Ray Peterson and Tony Prosen, mixed with walks to Cliff Jenkins and Brown, added up to the four runs in the second.

Falconer scored its lone run in the eighth when Manager Maiv Bader was struck by a pitch, an error and a pair of passes.

Eisenhower, leaving tomorrow for an extended vacation at Newport, R. I., dealt with these other matters: Integration; Congress; Taxes and Living Costs.

As he has in the past, Eisenhower said the administration is not considering what he called legislative inflation controls, such as cuts on prices and wages. Those controls in time of peace, he went on, are self-defeating and would lead to an entirely different form of government than Americans know at present.

Eisenhower did say the government does attempt to exert every influence to control inflation, through meetings with private groups and through Treasury Department and Federal Reserve Board actions.

Other subjects discussed by the President were: Disarmament; Defense; Wisconsin election and Second Term.

Bishop Sheen Speaker At Uniontown Pilgrimage

Uniontown (AP)—Auxiliary Bishop Fulton J. Sheen of New York says "the sense of discipline and self-sacrifice is passing from American life."

Bishop Sheen made the statement yesterday in a sermon during the closing services of the annual six-day pilgrimage to the Shrine of Our Lady of Perpetual Help at Mount St. Macrina, the mother house of the Sisters of St. Basil the Great.

The bishop spoke to thousands of Catholics of the Byzantine Rite who came to St. Macrina from all parts of the United States and Canada.

SUSPENDING THE SPINNING LURE

By Hal Sharp

EXPERIMENT TO FIND THE PROPER DISTANCE TO SUSPEND A LURE FROM ROD TIP FOR EASY CASTING. THE LIGHTER LURES, 1/16 TO 1/4 OUNCE, MAY NEED 12 TO 24 INCHES OF LINE, COMPARED TO THE 1/4 OUNCE'S 6-INCH SUSPENSION. LENGTHENING LINE PRODUCES A LARGER CASTING ARC, INCREASING THE VELOCITY OF THE LURE TO GAIN DISTANCE IN CASTING LIGHTWEIGHT LURES.

WRITING JOB—Mickey Mantle has to write his way to and from ball park dressing rooms as the autograph-seeking kids mob the Yankee star at every point on American League map.

Cover Screen, Gain Versatile Piece

BY KAY SHERWOOD
NEA Staff Writer

THE versatility of the folding screen has entrenched it as a household accessory that survives years of use and lends itself to many changes in decor. As a decorative shield blocking the view of a kitchen or a study corner, or marking off a draftless nook for baby, its popularity is still going strong, especially among young apartment home-makers.

A good screen can be dressed up many times, in many ways. One young decorator told me she'd revamped her tall, three-panel screen five times.

The last time she did it, she used vinyl fabric, a newcomer to screen coverings. It's available now in stores and mail order houses, comes in wide widths (54 inches, usually) and is firm-bodied enough for an amateur to cut and paste.

Clear, sparkling colors suggest contemporary treatments. And these vinyl fabrics have proved their practicality in cool-down city apartments and places where kitchen fumes discolor other materials. They are durable, color-fast and washable.

For her screen, my friend used three colors, one for each panel—pumpkin, raspberry and mustard. Both sides of each panel were covered. The scraps were turned into small cushion coverings for foam rubber bench-table pads.

For the screen, you need a fabric-backed vinyl because the paste won't adhere to unsupported vinyl sheeting.

REMOVE HINGES from the screen and cover one panel at a time. Pasting should be done on a floor or work table, not vertically.

Cut vinyl fabric for panels with razor blade in holder. Allow about three inches extra in both dimensions. This will cover edges and also allow for slight shrinkage when paste is applied.

Use paste or adhesive recommended by the manufacturer of the fabric. If no particular adhesive is specified, the fabric-backed vinyl may be applied with a pure wheat paste.

Apply adhesive generously to back of cut fabric, leaving no unfilled areas. Allow it to set a few minutes.

Then apply vinyl fabric to screen surface. Work out air pockets and wrinkles thoroughly with stiff brush or broad knife, before reassembling the screen.

working a small area at a time to insure good adhesion. Bring vinyl around edges of panel.

Before adhesive is completely dry, use razor blade in holder to trim vinyl down center of panel edges and to cut out area where hinges will be replaced. Wash off the excess adhesive with sponge and clear water.

Repeat the process on the other side of the panel. When all panels are covered and dried, reset the hinges.

As a decorative finish, edges can be trimmed with metallic tape, brass-headed nails or both, before reassembling the screen.

Tiling Hits the Do-It-Yourself Field

BY KAY SHERWOOD
NEA Staff Writer

A CONFLICT that's particularly familiar to those who live in older homes lies between what you'd like to do to pretty up the house and what must be done to keep the place together.

No sooner does the thrifty housewife siphon off enough of the grocery money for a pet project than some killjoy announces that the gutters need replacing. Gutters usually win and fixing up a recreation room or putting down a better looking floor must wait.

Sometimes the difference between a long wait and a short one depends on how much you can do yourself. On the other hand, doing it yourself may involve a long time, real skill and mechanical know-how that most of us lack.

It's little wonder that when a product comes along that promises to be easy to work with and achieve a handsome effect in a hurry, it excites our interest.

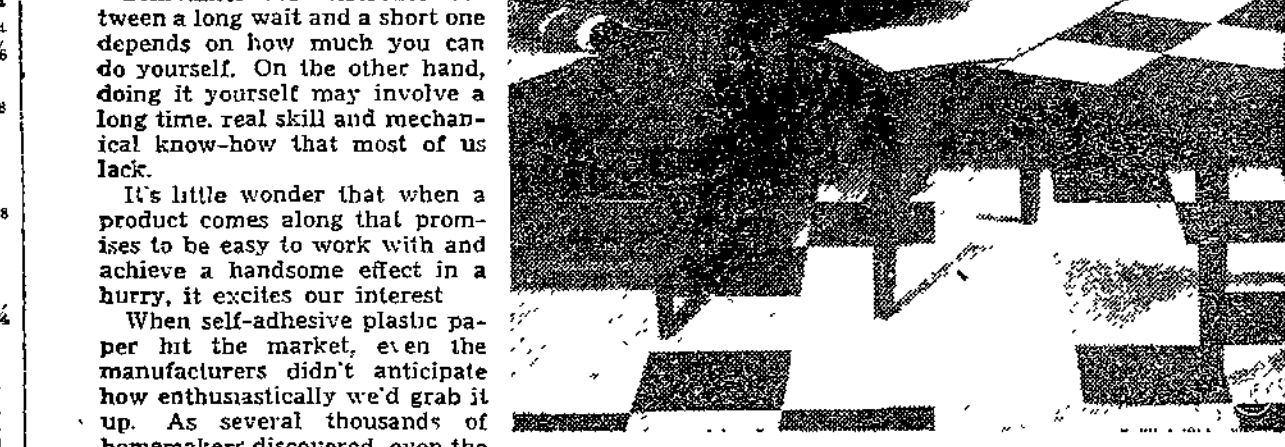

When self-adhesive plastic paper hit the market, even the manufacturers didn't anticipate how enthusiastically we'd grab it up. As several thousands of homemakers discovered, even the all-thumbs amateur could repair her bathroom or pep up a nook with ease. She could work on it when she had a few minutes to spare—without fussing with equipment or mastering new tools, without a prolonged clean-up later.

RECENTLY another adhesive-backed product has brought other do-it-yourself projects within reach of amateur talent. This is a tile in rubber or vinyl with a pressure-sensitive adhesive on the back.

The decorator simply peels off the protecting polyethylene paper and sticks tile to floor. Of special interest to homemakers is the fact that the tile can be stuck directly over an old kitchen linoleum, provided it's still smooth. It also goes on new or old wood floors and on-grade or above-grade concrete.

My own experience with the new tiles has been limited to sticking them on a plywood-topped table. But people who have been more ambitious with it tell me it's almost as easy as it sounds.

The principal requirement for good adhesion is a surface that is absolutely clean, free of dust, wax and grit. With this type of

Bright blue and white vinyl tile, pressure-stuck to top of homemade table, makes it a handsome match for the floor.

dry adhesive, no solvent is needed, no rolling, no drying-out period and no cleaning up along seam lines.

Tiles can be pulled up if you want to replace one or switch a pattern around.

They come in standard nine-by-nine-inch blocks and in a full range of solid colors, marbled and terrazzo patterns. Besides their intended use on floors, tiles can also top serving or utility counters or home-made tables (plywood cut to size, banded with molding and screwed to wood or metal legs).
